An Invitation to Make an Impact

For someone undergoing cancer treatment, the fight extends far beyond the diagnosis. It can mean worrying about paying the rent, getting to treatment, keeping the lights on, or putting food on the table—all while trying to focus on healing.

The Donna M. Saunders Foundation helps ease those burdens through emergency financial assistance, community resources, and chemotherapy care kits that provide practical support, comfort, and hope. Hattitude 2026 is our signature fundraising event and a celebration of the strength and resilience of those touched by cancer. More importantly, it brings our community together to help ensure that individuals and families facing cancer have support when they need it most.

We invite your organization to make a meaningful impact through one of our \$1,000 Hattitude sponsorship opportunities. Your partnership will help us honor those making a difference in the cancer community and provide comfort and support to individuals undergoing treatment.
